Porn world:

Men love coming on women's faces, and women love having men come on their faces.

Real world:

Some women like this, some women don't. Some guys like to do this, some guys don't. Entirely up to personal choice.

Porn world:

Porn world:

Women love being called 'bitch' and 'whore' while fucking.

Real world:

Some people like dirty talk, some don't. Some do it naturally, others can't bring themselves to. Some women get turned on by abusive terms, others don't. If you don't like what's being said to you during sex, say so. If you do like what's being said, say so.
